ABSTRACT.

Complainants that the proposal of the Forest Department for including the Gomal attached to Hosakere village in Goribidanur Taluk would result in causing their Cattle great hardship that their part of the country is very dry and their main resource for paying assessment is sheep breeding. That inclusion of the only Gomal they have with the Forest area would deprive them of their means of earning. They therefore request that necessary orders may be passed by Government directing the proposal to include their gomal in the Forest area should be dropped. Submitted

Letter No.A.8-C.2832/37-38 dated 7th March 1938, from the Deputy Commissioner, Kolar District, to the Revenue Commissioner in Mysore.

Subject:- Petition of the raiyats of Hosakote village, Goribidnur Taluk, to the Dewan for the release of the gomal lands of their village included in the Kurudi State Forest.

With reference to your docket No.C.2053/37-38 dated 12th November 1937 calling for a report regarding the sufficiency of the gomal land and the genuineness or otherwise of the grievances of the villager, I have the honour to state that an area of 17 acres and 20 guntas of gomal and an area of 819 acres and 38 guntas out of Kharab (total 837 acre and 18 guntas) is left for the ryots of Hosakote village, for grazing of their cattle, as per 'C' statement appended to G.O.No.C.1018-21/Ft. 30-36 dated 8/11th August 1936 constituting the Kurudi Forest Block. It is reported by the Amildar, Goribidnur Taluk and the Forest Settlement Officer, Chickballapur that Kharab Survey No.3 comprising an extent of 658 ~~669~~ acres and 5 guntas consisted of survey Nos.17 to 44 as per original survey accounts and that the said extent of Kharab has been already included in Yammegudin State Forest, constituted as per G.O.No.R. 749-52/Ft. 161-14-4 dated 15th July 1915, and that the same is not now available for the villagers. This fact was lost sight of at the time of the settlement of Kurudi Forest Block with the result that the Kharab of 658 acres and 5 guntas was shown by mistake, as available for grazing purposes in the G.O. dated 8/11th August 1936 constituting the above Forest Block.

The correct extent of kharab and gomal now available for the village is reported to be only 161 acres and 33 guntas and 17 acres and 20 guntas respectively (total 179 acres and 13 guntas) out of which an extent of 140 acres and 19 guntas has been reserved for date groves. It is further reported that out of the remaining extent of 38 acres and 34 guntas, only 2 acres and 11 guntas is fit for grazing purposes. There are 144 cattle 47 sheep and 166 goats in the village for which at least 64 acres of gomal is essential. The gomal land now available as fit for grazing purposes is obviously insufficient for the needs of the village cattle and the grievances of the villagers in this behalf is therefore genuine.

In these circumstances, I recommend that free grazing in the State Forest may be allowed all through the year and if this is not possible about 100 acres of gomal land may be disafforested out of the State Forest, to meet the present and future requirements of the village cattle.

The enclosures received with your letter under advertance and other connected papers are, herein, enclosed for kind reference.

For Revenue Commissioner.

BR.
B32/4

Letter No.150 dated 23rd/24th September 1937 from the District Forest Officer, Kolar District, to the Chief Conservator of Forests in Mysore, Bangalore.

With reference to your No.S2.Gl.2082-37-38 dated 3-9-37 calling for the submission of a detailed report on the petition of the villagers of Hoskote Village, Hosur Hobli, Goribidanur Taluk praying for the release of the gomal lands of their village included in Kurudi Forest, I have the honor to state as follows:-

Out of the total area of 454 A. 37 G. of gomal land of Hosakote village, an area of 437 A. 17 G. has been taken up for Kurudi Block leaving an area of 17 A. 20G. to the village.

Besides the above area of 17A. 20 G. of gomal, an area of 819 A. 38 G. out of Kharab has also been left out to the village for grazing their 144 cattle, 47 sheep and 66 goats as can be kindly seen from the "C" statement attached to Government Order No.G.1018-21/Ft. 30-36-2 dated 8/11-8-36.

At the time of the settlement of this Block, the Settlement Officer considering the claims of the villagers has allowed free grazing of cattle and free removal of dry fuel in view of the fact that most of the gomal lands of this village was taken up for the Kurudi Block.

Under these circumstances, I consider that there is no necessity for exclusion of any gomal land from the above Block as the claims of the villagers at the time of settlement have been favourably considered and settled by the Forest Settlement Officer.

The original petition of the villagers is herewith resubmitted.

M. Machaya, Esquire, B.A., (Oxon).,
Chief Conservator of Forests in Mysore,
Bangalore.

To

M. Venkatanaranappa, Esquire, B.A.,
Secretary to the Government
of H. H. the Maharaja of Mysore,
Development Department, *Bangalore.*

Sir,

With reference to your memo No.G.1927/Ft.25-37-7 dated 30th August 1937, forwarding therewith, for report, the petiton of the villagers of Hosakote village, Hosur Hobli, Goribidnur Taluk, praying for the release of the gomal lands of their village included in Kurudi State Forest, I have the honor to forward herewith for the information of Government, a copy of letter No.150 dated 23rd/24th September 1937, received from the District Forest Officer, Kolar District, in the matter and to state that I agree with the opinion furnished by the District Forest Officer. Since all the claims of the villagers have been favourably considered at the time of settlement by the Forest Settlement Officer, the necessity to exclude any lands from the block does not arise.

The petition is herewith retransmitted.

I have the honor to be,

Sir,

Your most obedient servant,

M. Machaya

Chief Conservator of Forests.

NOTE—Contn. Sheet.

Fr. No. No 4.

M.19.7.38.

Returned with compliments.

The area of Assessed Waste and gomal lands of Hosakote Village taken for the Yemmegudda State Forest constituted in Government Order No.R.749-52/Ft.161-14-4 dated 15th July 1915 was 621 acres 11 guntas comprising original - survey Nos.17 to 27 and 29 to 44 and not 688 acres and 5 guntas as stated in the Deputy Commissioner's letter of 7th March 1938 addressed to the Revenue Commissioner copy of which is among the papers - vide "C" xxx statement - attached to the notification constituting Yemmegudda State Forest. All the above noted Assessed Waste and gomal lands seem to have been clubbed in the Resurvey into one Kharab S.No.36 on account of their being included in the Forest. The Deputy Commissioner states that the above fact was lost sight of at the time of the Settlement of the Purudi Block in 1936. This may be due to the omission to note the fact in the Taluk and Village records contrary to standing orders. However as, in addition to the above area of 621 acres 11 guntas taken for Yemmegudda in 1915, an extent of 140 acres-19 guntas of Kharab is reported to have been reserved for Date groves and out of the remaining extent of 38 acres 34 guntas, 2 acres and 11 guntas only are said to be fit for grazing purposes against 64 acres of gomal required for the existing cattle, 100 acres of gomal of Hosakote Village taken for the Purudi ~~Village~~ Forest may be disafforested, cancelling the concession of free grazing of 250 cattle granted to this village at the time of Settlement.

ORDER NO. ~~F.~~ F. 2757-3 ~~/~~ 38- 25-37-603

Dated, Bangalore, the 19th September 1938.

It is seen from the C. statement appended to the Government Order No.G.1018-21/Ft.30-36-2 dated 8/11th August 1936 constituting the Kurdi State Forest Block in the Goribidnur Taluk an area of 817 acres and 38 guntas of Kharab Lands have been left to the Hosakote village for grazing purposes. But the Deputy Commissioner, Kolar District reports that much of the Kharab land had already been included in the Yemmegudda State Forest constituted in Government Order No.R.749-52/161-14-4 dated 15th July 1915 and that this fact was lost sight of at the time of the contribution of the Kurdi State Forest with the result that there is only 179 acres and 13 guntas of land available for the village. It is further reported that out of the said lands 140 acres and 19 guntas of Kharab have been reserved for date grooves and that out of the remaining area only 2 acres and 11 guntas are fit for grazing purposes. The Deputy Commissioner therefore, recommends that either the villagers of Hosakote may be allowed the concession of free grazing in the State Forest throughout the year or 100 acres of gomal land may be disafforested out of the Kurdi State Forest

to meet the present and future requirements of the village cattle. The Revenue Commissioner agrees with the Deputy Commissioner. But the Chief Conservator of Forests recommends that 100 acres of gomal of Hosakote village taken for the Kurdi State Forest may be disafforested and that the concession of free grazing of 250 cattle granted to this village at the time of settlement of the Kurdi State Forest may be cancelled.

2. Government are pleased to sanction the recommendation of the Chief Conservator of Forests who is requested to take needful action in the matter and to inform the petitioners of the above orders of Government.
